SPECIAL FILMING CONDITIONS
THE GROVE

The Special Filming Conditions described below will be included in the terms and conditions of permits issued for filming in this area and are in addition to the standard terms and conditions applicable to filming permits generally. While these Special Filming Conditions will be included as terms if a permit for filming in this area is issued, they are not intended to, and do not, establish the criteria or standards for determining whether or not a particular permit (or permits) will be issued for this area. The decision whether or not a particular permit (or permits) will be issued is vested in the discretion of the appropriate City or County department or their designees (including FilmL.A., Inc.), to be exercised consistent with public health, safety and general welfare, and applicable land-use ordinances.

The following Special Filming Conditions for The Grove have been established per a conditional use permit from the City of Los Angeles. The highlighted conditions apply specifically to filming.

1. All other use, height and area regulations of the Municipal Code and all other applicable government/regulatory Agencies shall be strictly complied with in the development and use of the property, except as such regulations are herein specifically varied or required.

2. The use and development of the property shall be in substantial conformance with the plot plan submitted with the application and marked Exhibit "A", except as may be revised as a result of this action.

3. The authorized use shall be conducted at all times with due regard for the character of the surrounding district, and the right is reserved to the Zoning Administrator to impose additional corrective Conditions, if, in the Administrator's opinion, such Conditions are proven necessary for the protection of the persons in the neighborhood or occupants of adjacent property.

4. All graffiti on the site shall be removed or painted over to match the color of the surface to which it is applied within 24 hours of its occurrence.

5. A copy of the first page of this grant and all Conditions and/or any subsequent appeal of this grant and its resultant Conditions and/or letters of clarification shall be printed on the building plans submitted to the Zoning Administrator and the Department of Building and Safety for the purpose of having a building permit issued.

6. Indemnification. The applicant shall defend, indemnify and hold harmless the City, its agents, officers, or employees to attack, set aside, void, or annul this approval which action is brought within the applicable limitation period. The City shall promptly notify the applicant of any claim, action or proceeding and the City shall cooperate fully in the defense. If the City fails to promptly notify the applicant of any claim action or proceeding, or if the City fails to cooperate fully in the defense, the applicant shall not thereafter be responsible to defend, indemnify, or hold harmless the City.

7. **Herein authorized is the use of outdoor sets, filming and related uses which support motion picture and television production and other entertainment industries, including outdoor filming, audio digital recording, film editing and other support uses.**

8. The approval does not eliminate or authorize noncompliance with any other conditions imposed by any previous approvals or entitlements, except to the extent such conditions are expressly changed or superseded by the specific conditions herein.

9. **Any exterior amplified sound associated with any use permitted pursuant to this approval shall not begin earlier than 7:00 a.m. Monday through Friday, or 8:00 a.m. Saturday and Sunday, and shall end no later than 10:00 p.m. Sunday through Thursday, or 12:00 midnight Friday and Saturday.**

NOT A PERMIT

10. **The management staff of the Grove and Farmer Market shall supervise and control all filming, support uses and related activities to ensure there will be no adverse impact to normal operations of the shopping center or to neighboring properties and public right-of-ways.**

11. **All filming and other uses permitted pursuant to this approval shall be on-site only unless a separate permit is obtained for filming or other use of the public right-of-ways.**

12. **The applicant shall provide ample parking to satisfy the demands associated with filming support activities on-site, unless a separate street permit is obtained from the proper permitting agency for parking on the adjacent public street.**

13. **The applicant shall require that the production companies continue to secure permits from FilmL.A. for any on-site filming activities.**

14. **There shall be no adult entertainment filming activities on site.**

15. **All filming and related activities pursuant to this approval shall be limited to a crew of not more than 50 persons, including security, and an audience of not more than 200 persons.**

16. **The management staff of The Grove and Farmers market shall supervise and work with filming and support crews to ensure that any lighting associated with the uses permitted herein shall be directed primarily to the interior areas of the subject property and shielded so as to prevent spillover lighting from affecting neighboring properties or public right-of-ways.**

17. **Sufficient security shall be provided on-site during filming activities.**

18. **No use that is regulated as an "adult entertainment use" pursuant to Section 12.70 of the Municipal Code shall be permitted pursuant to this approval.**

19. **The applicant shall provide to the Neighborhood Council and the Council District Office an emergency phone number for use by neighbors in order to notify applicant of any disruptive activities related to on-site filming or other support uses.**

20. **The management staff of The Grove and Farmers Market shall maintain a copy of these conditions on-site at all times and must show it upon request to any police officer, City inspector, or other governmental official with jurisdiction**.

21. Prior to the clearance of any conditions, the applicant shall show proof that all fees have been paid to the Department of City Planning, Expedited Processing Section.

22. Prior to issuance of any permits relative to this matter, a covenant acknowledging and agreeing to comply with all the terms and conditions established herein shall be recorded in the County Recorder's Office. The agreement (standard master covenant and agreement for CP-6770) shall run with the land and shall be binding on any subsequent owners, heirs or assigns. This agreement with the conditions attached must be submitted to the Department of City Planning for approval before being recorded. After recordation, a certified copy bearing the Recorder's number and date shall be provided to the Department of City Planning for attachment to the subject case file.
